LICENSING & REVIEW

Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

This application is subject to the provisions of 35 USC 181, which requires that the applicant, inventor, or assignee, as the case may be, shall not divulge the contents of this application for any purpose other than the administration of 35 USC 181, until the expiration of 6 months from the filing date of this application. If the applicant, inventor, or assignee, as the case may be, divulges the contents of this application for any purpose other than the administration of 35 USC 181, the applicant, inventor, or assignee, as the case may be, shall be liable for the payment of a civil penalty of not more than \$100,000 for each such violation. This application is subject to the provisions of 35 USC 184, which requires that the applicant, inventor, or assignee, as the case may be, shall not file this application in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from the filing date of this application unless the application becomes the subject of a secrecy order.
